

Buckingham County High School Application for Parking Permit

Students are permitted to park on school premises. **This is a privilege, not a right. Excessive tardies will result in suspension of parking privileges.** The school has set forth the following regulations to insure the safety and orderly parking of student vehicles: (Parking tags are only valid for the current school year and all vehicles must be registered each school year.)

1. All vehicles must be registered with Administration. Registration information must be accurate and complete including make, model and license numbers of vehicles being registered and must be updated as necessary. A copy of the registration card of all vehicles being registered may be required to be reviewed before a parking permit is issued. All vehicles should be properly licensed and insured as prescribed under Virginia law.
2. **Parking tags will be displayed at all times while vehicles are on school grounds. Parking tags may not be given or transferred to another student. The parking space number must match the parking tag number at all times.**
3. Parking permits can be purchased in Ms. Anderson's office at a cost of \$20.00. Permits will cost \$10 after January 1, 2020. Any student who loses a tag is to report to the office immediately to receive an emergency-parking permit. Vehicles that do not display the necessary parking tags may be subject to being towed at the owner's expense.
4. Students will operate all vehicles in a safe and orderly manner while on school grounds and follow the directions of the school personnel on duty. Students are required to drive at a safe, reasonable speed and keep music at a reasonable volume as determined by the administration.
5. Students are to follow the rules set in the student code of conduct.
6. The school retains authority to conduct routine patrols and inspections of exteriors of student vehicles that are on school property. The interiors of student vehicles may be inspected whenever a school authority has reasonable suspicion to believe that illegal or unauthorized materials are contained inside. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant. Students are responsible for inspecting any vehicle they drive on school property and will be held accountable for all contents in the vehicle.
7. **STUDENTS ARE RESPONSIBLE FOR BEING IN CLASS ON TIME. EXCESSIVE TARDIES WILL RESULT IN DISCIPLINARY ACTIONS AND TEMPORARY LOSS OF PARKING PRIVILEGES.**
8. **STUDENTS ARE TO REPORT DIRECTLY TO CLASS UPON REACHING SCHOOL AND PARKING IN THE STUDENT PARKING LOT.**
9. Students are not permitted to go into the student parking lot during the school day unless they have permission from an administrator or office personnel.
10. Students are to report any irregularities such as invalid parking to the administration at once. Failure to follow the above regulations may result in the permanent loss of the privilege to drive to school and/or disciplinary action.

We have read the regulations for students parking a vehicle at the Buckingham County High School student parking lot. We agree to follow the regulations as defined. Both student and parent give consent to search the vehicle when deemed necessary by school authorities.
